

Iowa Living Roadways Community Visioning Meeting
November 5, 2008

A community meeting of the Iowa Living Roadways Community Visioning Program met at the Odebolt Fire Station on November 5, 2008. Those in attendance were: Mayor R.J. Rex, Linda Godbersen, Mary Jeanne Thompson, Madeline Meyer, Kerry & Deb Reinhart, Shirley Phillips, Joel Ahart, Howard Hustedt, Phyllis Franken and Joan Godbersen.

As per last committee meeting, Howard Hustedt was elected chairperson. Howard opened the meeting and Madeline suggested that we give ourselves a defining name. Odebolt Betterment Committee was suggested but not finalized. This topic remains open for discussion.

Was anyone assigned as secretary?

Howard reported that funds in amount of \$3,000.00 for lighting and \$3,400.00 for landscaping are needed to complete the entrance signs landscaping.

The DOT will need to be contacted for approval to do the signage projects.

It was suggested that the one call for utility locates be done before the next meeting because there are numerous utilities in the areas of the suggested sites for the directional signs.

Joan reported that she and Phyllis had completed the application from MidAmerican Energy and their Trees Please Grant. She will also contact the Landscape Architect for the promised CD with all the drawings etc.

Madeline, Pam & Joel are planning to attend the Statewide Meeting in Ames on the 14th. We appreciate them taking the time to represent us at this Iowa Living Roadways Celebration.

Our next meeting will be November 18th at the Fire Station to put together the Iowa Living Roadways Grant application.
