

Odebolt Betterment Committee meeting held April 14 at 6:00 at City Hall.

Present were Madeline Meyer, Joan Godbersen, Mary Jeanne Thompson, Deb and Kerry Reinhart, Elaine Rex and Vonnie Wareham.

Joan had talked to Linda Godbersen and she is interested in helping but could not make it. Shirley Phillips and Tom Duncan also could not make it because of other plans.

Kerry and Madeline had attended the Rotary meeting today to let the organization know what the committee has been doing and to ask for their help in the Triangle Park project. They had seemed interested in this project and they would discuss a fund raiser for a later date.

Elaine had stated that the Memorial Walk committee had purchased their plaques from D&S in Denison and she would check to see what their plaque had cost. She also stated that she would present our project to the Tuesday Club at their next meeting. Mary Jeanne and Madeline stated that they would present it at Ingleside tomorrow. Joan made copies for each of them to present at their meetings.

Joan will contact Linda Godbersen to see if she and Janet Leonard would be interested in a fund raiser at Creek Days. Renee Babcock had said at Rotary that Iowa State Bank had an ice cream machine we could use for fund raising.

Madeline gave an update on the progress of the sign project. They have started preparing the ground for planting.

Deb and Joan will make 1Call for Lundell and Schulte property tomorrow.

Vonnie and Curt had drawn up a diagram of the south entrance into town and after some discussion it was decided that they should draw up a proposal and present at the next town council meeting on May 4. Kerry, Curt and Vonnie will work at getting this drawn up.

Mary Jeanne will call Mr. Miller with FFA and ask if they would be interested in helping to plant trees when they are delivered and then be responsible for making sure they are watered thru the summer months. Kerry will call Joel to see if he has time to work the soil at the dump for the dogwoods to be planted.

Joan will send article about the Triangle Park project to Odebolt Chronicle, Odebolt web site and to Ida Co. Courier.

Kerry asked about the Sac Co. Endowment grant and it has already been applied for this year, but he will apply for it next year. Think he has to apply for this in November.

Next meeting will be held May 12 at 6;00 p.m. at City Hall.
